This is a request under the Freedom of Information Act for Evaluating New Pesticides and Uses.

I request that a copy of documents containing the following information be provided to me: the pre-registration scientific study procedure and test results concerning the soil half-life for the Koppers Performance Chemicals, Inc. pesticide:

ORD-X170 (EPA Reg. No. 3008-101)

In order to help to determine my status to assess fees, you should know that I am affiliated with a private corporation and am seeking information for use in the comparison of pesticides for wood treatment applications.

I am willing to pay fees for this request up to a maximum of \$25.00. If you estimate that the fees will exceed this limitation, please inform me first.

Optional: I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest.

Thank you for your consideration of this request.
